

DOUBLE WASH BASINS

Part #:

83207220 2 Sink sensor operated

83207320 2 Sink knee operated

83207240 4 Sink sensor operated

83207340 4 Sink knee operated

83207260 6 Sink sensor operated

83207360 6 Sink knee operated

Double Wash Basin

Double hand wash basins are great for handling multiple people. Our industrial wash basins are ergonomically designed with sensor operation; ensuring the maximum level of hygiene. Made from stainless steel, odors are prevented by a siphon mounted in the drain.

These industrial wash basins are equipped with a legionella prevention system with automatic set flushing times. Flushing can be scheduled to start between 24 and 78 hours after the last use (this is adjustable).

Double Wash Basin Features

- Made from stainless steel
- Legionella prevention
- Odor-reducing siphon
- Efficient drainage

Double Wash Basin Options

- 2, 4, or 6 sinks
- Sensor or knee-operated
