

## HD-WM HAND DISINFECTION STATION

Floor Mount Frame

**Part #:**

**83201020** Unit

**83201070** Floor mount frame

### HD-WM Hand Disinfection Station

The HD-WM Hand Disinfection Station has an automatic dosing dispenser unit that reduces the risk of contamination before entering your production area. Mount the unit to a wall and simply insert your hands into the openings. Sensors automatically activate the disinfectant.

### HD-WM Hand Disinfection Station Features

- Reduces contamination risk
- Adjustable two-sided dosing
- Chemical level indicator
- Wall or floor mounting
- Fitted with a drain
