Floor Mount Frame

Part #:

83204700 Right side entrance

83204720 Left side entrance

83201070-1 Floor mounting frame

Sanicare-WM Hand Disinfection Station

The WM Hand Disinfection Station has an automatic dosing dispenser unit that reduces the risk of contamination before entering your production area. Mount the unit to a wall and simply insert your hands into the openings. Sensors automatically dispense the soap to wash hands, then disinfects. Once hands are disinfected, the turnstile will release.

Industrial Wash Basin Features

- Reduces contamination risk
