

DZW SOLE CLEANER

Part #:

83202240 Right side entrance

83202260 Left side entrance

DZW Sole Cleaner

With a low step of just 6.9 inches, this sole cleaning machine is very ergonomical. The unit contains a sensor to automatically dampen and activate the brushes. This ensures low energy consumption and efficient use of cleaning chemicals. A splash guard prevents the surrounding area from becoming wet.

DZW Sole Cleaner Features

- Reduced risk of infection
- Sensor-controlled activation
- Chemical level indicator
- Fitted with a drain

DZW Sole Cleaner Options

- Brush length: 39.4" or 59"
- Available in left or right entrances
