

AUTOMATIC HAND DRYER

Part #:
78002007 White
78002007-1 Grey

Automatic Hand Dryer

The fastest and most hygienic hand dryer is the Dyson Airblade™. In just 10 seconds, the water is removed from your hands by a 'blade of air'. Furthermore, the Airblade™ Hand Dryer is cheaper than conventional hand dryers. The Dyson Airblade™ uses up to 80% less energy. The HEPA H12-filter enables the Airblade™ to remove up to 99.9% of the bacteria present.

Automatic Hand Dryer Features

- Low energy consumption
- Fast and effective
- More economical than conventional hand dryers

Automatic Hand Dryer Options

- Protective cover for the Dyson Airblade™
- Available in white or grey
