

INDUSTRIAL APRON CLEANER

Part #:
78000350

Industrial Apron Cleaner

This unit is ideal for cleaning any apron. Hang the apron on the wall and allow the spray gun and brush do all of the work for an easy clean. Boots can also be cleaned manually by placing them on the floor grate. Water gathered during cleaning is easily drained through the bottom of the grate.

Industrial Apron Cleaner Features

- Stainless steel
- Adjustable feet
- Compatible with all apron sizes
- Universally applicable
